We believe all animals to be breeders. Cows sold with calves at foot or four months gone in calf are considered breeders, and no further guarantee on same; but cows and heifers lately bred or open must be producers, but on failure to breed may be returned to us at purchaser's expense and should such animal fail to breed for us after six months' trial, money will be refunded. Bulls are guaranteed breeders when properly cared for and not allowed to run with the herd. Should same fail to breed for us money will be refunded.

# Announcement

N presenting this catalog we wish to call your attention to the fact that this offering should attract the attention of the most critical buyer. There is not an inferior animal in the entire lot.

We have gone deep into our herd in selecting this, our third draft sale of short horns, and not many sales will contain such a class of cattle this year. 40 calves go with their dams and nearly every one is rebred, the three in one kind.

Taking from a breeding and individual standpoint there has not been another auction held in the west in recent years which can compare with it. Some of the greatest blood in America and Great Britain are represented.

One of the strongest features of the sale will be cows with calves at foot and rebred heifers bred to the two great bulls, Imp. Aldsworth Reformer, who carries more of the blood of Village Beau, sire of Imp. Villager, than any other bull in America, and Villager's Stamp by Imp. Villager who is also listed in this sale, and is one of the attractions. Show cattle as well as great breeding matrons are listed. We listed for this offering, 70 head, 65 cows and 40 heifers with calves at foot, 10 open heifers, 5 bulls.

*Attention is called to the following circuit:*

April 23—G. J. Theiss & Son, Rembrandt, Ia.

April 24—H. G. McMillan, Rock Rapids, Ia.; Both sales at Sioux City.

April 25—H. E. DeVries, Hull, Ia. Sale at Farm, near Hull.

# Terms and Conditions

ACH lot will be sold separately to the highest bidder if more than one bid is made. A cow with calf at foot will be considered a single lot.

Any dispute as to bids will be settled by the Auctioneer in the box; if same cannot be settled, he shall declare all bids off and re-offer the lot.

Cattle will be at purchaser's risk as soon as sold, but will not be delivered until settled for.

After sold the animals will be fed and cared for free of charge to the purchaser, but at his risk of loss or injury, and will then be turned over to the purchaser or loaded on the cars for shipment as he may direct.

A certificate of entry in American Short Horn Record, with transfer of ownership, will be furnished with each lot.

The terms of the sale are cash, unless other arrangements are made with the owner before the sale. Six months' time may be had with 8 per cent. interest. Any one desiring time must bring acceptable bank reference. After sold the animals will be fed and cared for until they are loaded on cars, free of charge to purchaser, but at his risk of loss or injury.

A health certificate will be furnished as required for shipment.

Parties who cannot be present on day of sale may send bids in our care to auctioneers, clerk or paper representatives.

Please bring this catalog to the sale.

VILLAGE OAK 409393—Sire, Village Beau 295883 by Merry Morning 247833, out of Village Maid 17th V46-457E. Dam, Misfortune by Bapton Crown 409013, out of Lady Like V46-491E.

VILLAGE DIAMOND 540539—Sire, Village Beau 295883, by Merry Morning (87102) out of Village Maid 17th V46-457E. Dam, Another Jewel by Bapton Crown 409013, out of Aldsworth Jewel.

VILLAGE BEAU 295883—Sire, Merry Morning 247833 by Pride of Morning 120551, out of Missie 135th V33-417E. Dam, Village Maid 17th V46-457 E by Master of Ceremonies 136633, out of Village Maid 15th V41-251E.

A line bred Village Beau bull who carries more of the blood of Village Beau, the sire of Imp. Villager, than any other bull in the United States. Is one of the good breeding bulls in the West. He is a beautiful dark roan of show-yard character, with a splendid head and horn, and carries all the characteristics that help to make up a good sire. He is low down, level lined and smooth fleshed, with two good ends. And is a bull hard to fault. In the recent Alex Mitchell dispersion sale his get were all of the same type of true shorthorn character. He was as a two-year-old first at Sioux City and second in the open class and first in the Minnesota State Fair. And we believe we have in this bull one that in the near future will make one of the breed's renowned sires.
